PEER TESTING REPORT

Module Name: Login & Authorization

TESTED BY: Akshay Daundkar, Siddhi Uttarwar

REVIEWS:

- Akshay: Module functionality is correct, though it should include appropriate error messages.
- Siddhi: Login & authorization are working as expected. You can use username for login instead of email.

Module Name: Course Management

TESTED BY: Mohit Ahuja, Siddhi Uttarwar

REVIEWS:

- Mohit: All course functionalities are working as expected jus disable the delete functionality, it is not in usecase.
- Siddhi: All functionalities are working, use REST API standards for end points & improve UI.

Module Name: Resource Management

TESTED BY: Siddhika Patil, Mohit Ahuja

REVIEWS:

- Siddhika: Functionalities are fine. Update the backend API to REST standards
- Mohit: All information is correctly shown in UI, just keep the design simple.

Module Name: Course Enquiry Management

TESTED BY: Akshay Daundkar, Siddhi Uttarwar

REVIEWS:

- Akshay: All enquiry CRUD operations are working fine. Use a selector for changing enquiry status.
- Siddhi: Use email and PhoneNo validators.

Module Name: Resource Enquiry Management

Tested By: Siddhika Patil, Mohit Ahuja

REVIEWS:

- Mohit: Use custom validators for qualification & DOB
- Siddhika: All functionalities are working, use validators for qualification

Module Name: Page Visits in Bar & Chart

Tested By: Akshay Daundkar, Siddhika Patil

REVIEWS:

- Akshay: The data is getting updated correctly & graphics are appealing. Add proper Labels.
- Siddhika: Bar & pie-Chart is showing correct information. Aligning them one below other might be better.

Module Name: Manager Summary View

Tested By: Akshay Daundkar, Mohit Ahuja

REVIEWS:

- Akshay: The data is populating correctly and the filters are working fine. Change some part of the UI.
- Mohit: The list is appealing and accurate. Show it in a tabular form.

Module Name: Manager View Salespipeline

Tested By: Siddhika Patil, Akshay Daundkar

REVIEWS:

- Akshay: Everything is working as per the discussions we had as a team.
- Siddhika: The analytics is working as expected.
